

How to pay your challenge event sponsorship money to RNIB

Thanks again for taking on a challenge for RNIB and for all your amazing fundraising efforts! Your fundraising helps us support more people with sight loss.

You have a few options when it comes to banking the money you've raised, please see below:

1. Online fundraising pages

If you have set up a JustGiving or Virgin Money Giving page, the money you've raised will automatically be banked to us as you've selected RNIB as your charity.

2. Bank transfer

If you'd like to make a direct bank transfer of the funds you've raised, please use the details below:

Bank Name: NatWest Bank

Bank address:

Marylebone and Harley Street Branch PO BOX 2021

10 Marylebone High Street

London

W1A 1FH

Sort Code: 50-30-25

Account number: 33422990

Please ensure that your bank quote your name and supporter number which is on your welcome letter in the reference field when the payment is sent to us. If you don't know your reference number, please call the Challenge Events Team and we'll give it to you. This number helps us to trace where the donation came from and attribute it correctly to your supporter record.

See differently

3. By cheque

If you have a cheque please make it out to 'RNIB' and send it to: Events Team, 105 Judd Street, London, WC1H 9NE. Please enclose a note with your name, any sponsorship forms you have, the name of the event you took part in and your address. This will enable us to allocate the donation to your record.

Please don't send us any cash in the post.

4. Over the Phone

If you would prefer to use your debit or credit card over the phone please call the Fundraising Enquiry Line on 0303 123 9999 (Monday to Friday, 9am-5pm) and they'll be able to assist you. Please let them know what event you've taken part in.

Whichever way you choose to pay in your fundraising please let the Challenge Events Team know so they can look out for your sponsorship.

Thank you once again for your support and let us know if we can be of any further assistance.

Best wishes,
RNIB Challenge Events Team
